PACAF NAF Ground Safety Managers Guide

- **Guides Purpose**
  - **Assist you in the effective management of your subordinate wings**
  - **Identifies expectations**
  - **Show command safety goals**
  - **Policies**
  - **Procedures**
  - **Trends**
  - **Evaluation criteria**

HQ PACAF Safety Goals

- **Forge a Fighting Team Second to None**
  - Maximize Combat readiness and preserve resources by promoting a risk management culture
  - Decrease command fiscal year mishap experience by 3% from our 3 year averages
  - 3-FY Average is 244 mishaps and our goal is a 3% decrease to 237 mishaps.
- **Make Our Operations Safe**
  - Ensure command mishap prevention programs and processes are effective
  - Promote application of Operational Risk Management at all levels for on- & 0ff-duty activities
- **Continually Improve Our Performance**
  - Obtain realistic funding and resources to execute our mission

HQ PACAF Safety Goals

- Consistently increase communications and office management capabilities
- Promote program and process improvement by enhancing assessment capabilities at all levels
- Strengthen transitioning safety manager's continuity with orientation programs at all levels

- **Improve the Quality of Life for All Our People**
  - Promote a safe and healthy environment for personnel and their families

- **Build Quality Partnerships with Allies, Other Services, and Local Communities**
  - Develop and interpret guidance to ensure customers comply with public law
  - Coordinate programs and training with civilian agencies and good relations with local authorities

PACAF NAF Ground Safety Managers Guide

- **Ground Safety in PACAF**
  - **Largest piece of the pie between the three disciplines, flight, weapons and ground**
  - **Broad spectrum, extreme environmental conditions and high OPS tempo**
  - **With challenges come great responsibilities, high expectations and a great opportunity to excel!**
- **Your Role**
  - **Consultant**
  - **Subject matter expert**
  - **Advisor**
  - **Evaluator**
  - **Mentor**
  - **Quality Controller**
